Who We Are

The HCPA, Hospital and Clinical Pharmacy Academy, is a brand owned by Perfect Experiences, which focuses on event organization.

At HCPA, we provide advanced specialized training for healthcare professionals prescribing and managing medication in hospital settings. All training programs, meeting high quality standards, identify the main pedagogical needs of our target population, and account for the applicability in daily hospital practice. To achieve excellence, we select the field's best experts worldwide, who know how to use the best evidence in daily practice.

Our team is committed to offering continuing professional development opportunities through high-quality training programs.

HCPA General Coordinators
